Be Careful in Using Soap on Your Hair

Most scaps and prepared shampoon contain too much alkalt, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is lust plain mulsified coccanut oil, for this is pure and entirely greaseless. It's very cheap, and beats the most expensive scaps or anything else all to pieces.

scaps or anything else all to pieces. You can get this at any drus store, and a few ounces will last the whole family for months.

Simply moisten the pair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of duri, dirt and dandruff.—Afvertisement.

Milwaukee Lady and Husband Have Regained Their Health From Plant Juice

Health From Plant Juice

"There is no virtue in medicine," many people say. Ignorance is the cause of people giving voice to such statements. Now, if you will read what people write in regard to Plant Juice, the new herbal system tonic, it will convince the most skeptical. Since Plant Juice has been introduced, its effects are truly marvelous in combatting and eradicating the various symptoms of a deranged stomach. It has taken a firm hold on the public because it relieves, and restores hope and happiness.

The following signed statement from Mrs. May Mead, of No. 5222 Greenfield Avenue, Milwaukee, Wis., speaks for itself. She says:

'I have used your medicine. Plant Juice, for stomach trouble and have received wonderful results from it. I was in a terrible condition for my food never digested properly, but fermented and formed gas in my stomach. I was nervous, disay and all run-down. My husband was in practically the same condition, and I recommended your remedy to him and he is much better now. We both have a splendid appetite, and I feel as if I could eat a horse if it was fried right. We are recommending Plant Juice to all of our friends and are certainly boosters for it."

Such words as these and those of many others that have been printed have a wide influence as they come from people of standing and integrity, who have siven Plant Juice a fair trial and have benefited thereby.

Plant Juice is sold in III Paso at Kelly & Pollard's Drug Store.—Adv. Such words as these and those
